

Tournament Feedback 2011

Under 7's – 29th May @ Coombe Park Oadby

Just a quick email to say thanks for today. Really well run tournament and both my teams enjoyed themselves. Thanks for all your efforts.

Oli Moore, Loughborough Dynamo

Just a note to say we really enjoyed the tournament yesterday. It was really well run and organised. You had some smashing sides up there and have made some good contacts. I know it maybe too late but thought I'd ask. Our under 8's are on your waiting list. I don't suppose any teams have dropped out or any further space has been made free.

Kind regards Learie Gonsalves Carib SSFC

Can I pass on the scouts and my best wishes for the excellent tournament that was delivered for our entertainment Sunday, We all agreed the players and the tournament organisers put on a first class display in spite of difficult conditions.

Best regards Bill Wall Academy Recruitment Leicester City Football Club

Just to thank you for the hospitality you showed the Forest Staff on Sunday at your excellent tournament. As always it is much appreciated and I look forward to seeing you again very soon. My very best regards, Dave Webster Nottingham Forest Football Club

Mini Soccer Tournament – 5th June @ Leicester University Sports Ground

On behalf of Ise Lodge under 8s management parents and players i would like to thank you and congratulate you on a great event you ran today. Parking was easy refreshments spot on pitch set out and fixture schedule excellent. Look forward to coming back next year many thanks to you and the organising committee Pete.

Just a quick thanks you from Lowdham Colts U8's for an excellent run event, enjoyed by all. Furthermore the standard of opponents was very well matched which resulted in plenty of draws and exciting closely fought games.

Thanks again Dave Lowdham Colts (Notts)

Thank you for the invite. Really enjoyed it and as always fantastically organised. Dean Oldham (Referee)

Just a quick note to compliment you on the quality of Sunday's tournament. Reached the Potteries with heads held high after our exit at the QF stage, albeit very tired after the day. Lovely photo of 3 lads all asleep on one another's shoulders - definitely one to embarrass them with in years to come!

Who were the eventual winners of the U10 event? Good standard, venue and support, where believe the Respect ethos was certainly in evidence. Will certainly spread the word for you locally - assume all your tournaments U11 upwards are 11 a side? Due to holidays don't think this year's tournament on 13th August will work for us, but please bear us in mind for future competitions. Thanks again for your

hospitality - this is an event both you and the rest of your organising committee and your army of helpers can be extremely proud of - please pass on my comments to them.
Steve Latham Milton Potters (Staffordshire)

Just needed to say a big thank you to yourself and everyone that helped organise the weekend's tournament. We've been to a few now, but I think we can honestly say the whole format and experience for the boys and parents alike was one of the best. Have had nothing but good comments about the whole day. On that note we look forward to hearing from you in a few months time about next years, and sincerely hope to see you all again then.
Keith Andrews Thrapston Town Juniors FC under 8's Blue

Thanks for a well organised and competitive tournament Rob. We managed to win 3 lose 3 and draw 1....So a fair group I'd suggest! All the best and thanks again from Wayne Kay Melton Foxes U8's. Cheers.

Just wanted to drop you a line to say how much both myself and Ian enjoyed your tournament again this year, it was great fun and both teams really enjoyed it. Regards,

Just a note to thank you for the work done by Yourself and Oadby Owls for a well run and organised tournament, although we did not make the Knockout stages we enjoyed the competition and had a great day please pass on our thanks and look forward to competing next year !
Regards Graham Lawton Secretary Crewe Alexandra Soccer Centre JFC

I would like to congratulate you for organising such a fantastic weekend of football. I also thank all the volunteers for their outstanding hospitality. Although it was tough on the ole legs I enjoyed the games immensely, but to see everyone enjoying the tournament gives me great satisfaction knowing I played a part. The only sour point is the referee who didn't show up for his appointments; however he is the only loser this weekend for he has missed a superb tournament. You have organised many tournaments of high quality and long may this continue, for this I tip my hat to you and all at Oadby Owls .
Nigel Marriott – Tournament referee

Hi Rob, Just to say thanks for a well run tournament! Hopefully see you next year. Regards
Richie Moore - Coventry Sphinx U12's.

Thank you for holding a place for Beaumont Town 04 under 14s in this years Oadby tournament. The whole day was magnificent and a testimony in no small way to you and your marvellous club. The efficiency of the people on duty on the day (from stewards to refs to catering staff..etc.) was matched by the organisation of the event! We at Beaumont Town04 u14s - players and parents, had a wonderful day. We enjoyed a great run in the competition, going out in the semi-final to a London side on penalties. I am so proud of our lads, we acquitted ourselves with dignity and pride and no little ability, we will take so much out of this tournament, it was ideal preparation for our season.
Paul Rydquist - Beaumont Town 04

Hi Rob, bet you and your fellow club members are tired today, just wanted to send a message of thanks for the great tournament you put on and let you know how much we enjoyed it and hopefully we will have the chance to come again next year. Thanks
Matt - Grimsby soccer colts

Hi Rob, I just wanted to congratulate you on your tournament on Sunday. It was extremely well organised and we had a great day although did not get past the group stages. We look forward to coming again next season if you are doing it. Thanks.
Kieron McArdle Kingshurst Sporting Under 14's

Hi Rob, Just wanted to say how much we enjoyed the tournament today, whilst we were pretty outclassed on the pitch (which is only due to the high quality of entrants) i thought it was a fantastically run event, with friendly helpful staff, good quality refs and brilliant facilities. It was just what we wanted a good workout as we kick start our pre-season. Cheers
Dean Toher Normanton All Stars under 16's

Hi Rob, thank you for our entry into your tournament on Saturday 13th.The organisation and set up were fantastic as were all the facilities.
Lee Butler Bolehall Swifts under 13's

Hi Rob. It was nice to finally meet you yesterday and just wanted to write and say how much we enjoyed the tournament, which was very beneficial to both teams but in particular our Under 11's who played their first ever 11aside game. As we are to play 9 v 9 in our league and have only practiced this and signed a suitable amount of players it was hard to get sufficient numbers yesterday but we managed. I am pleased to note from our conversation however that you plan to make it a 9 v 9 for under 11/12 next year. Thank you once again for the months of hard work you must have put into organising this, you are an inspiration to the grass roots sport and I hope you continue the great work. We would love to come again next year and we should have another 2 teams to bring along to that. Good luck at the Wisbech tournament next week, I hope it is organised as well as yours! Best Regards
Sylvia Roberts, Secretary Gunthorpe Harriers FC

Morning Rob. I would on behalf of myself and all at Anstey Swifts under 13's like to congratulate you and your team of many helpers for your professional work in running the Oadby tournament at Judgemeanow School over the weekend, especially on the Saturday where my own team participated. Where others perhaps do not realize the work that is needed to take on an event to the size of what you put on, I personally from experience do, from traffic directing, (even though it was Tim Deacon!! "ha ha") to food, to pitches, to programmes, to first aid, to trophies, to referees, need I go on, it all needs sorting, and that you all did. So once again can you pass on our thanks to all at Oadby Owls from all at Anstey.Good luck to all and your teams over the coming season ahead. Gary Brooks Anstey Swifts u13's.

Hi Rob, thank you for a great day at your 2011 tournament we had a great day even though not on the pitch we still left with a smile on our faces knowing we will be entering next year would it be possible to email me a copy of the results for the day as i think they would be an interesting read thank you once again for a great day

Stevie Weekley Rovers Wonders U13s

To be honest Rob we didn't get in till 10.30 and what a day we had. I got in touch with all the parents a couple of days later and we all agreed best one we have been too and we have been to loads, great day, great teams and great people. We lost in the final 1-0 but could have gone any way but yes put us down for next year.

Dave Gibson Longton Park Rangers U12's

All connected with Chellaston Boys really enjoyed the day. Many thanks for all your efforts making it happen. Regards Mick Poynton Chellaston Boys U16's
