Thanks for the information, from our point of view things went well the day was enjoyable. I think the one game on one game off worked well – nobody was hanging around too long between games. Cheers.

Under 8/9/10's – 10th June @ Leicester University

Dear Mr. Farrar, I am Flynn Lowe-Spicer's mum; he has been part of the Academy since January and has been lucky enough to play in goal for the Barnys for the past few weeks. I just wanted to thank you for the marvelous opportunities awarded to Flynn since his association with the Club. He had a wonderful time at both the Fun Day in May and the Under 8s Tournament yesterday. I know that events such as these take a tremendous amount of organisation and dedication to establish and run so successfully; the hard work and commitment to the club and its children is clear to see in all those who are connected with it. Thank you once again,
Katie Lowe

hi rob....like to congratulate all you good people on a very good tournament over the weekend....i know you had probs with teams dropping out ...and i know how much work goes into these events...so well done to all of you.

Every one of your club members were very helpful and friendly.....and i have got to say a big thank you to the people on the drinks / burger stall [nearest the pitches] as i lost my phone on the day....someone handed it in [thanks to them as well of course] and i picked it up from the people on the stall. Had some important info on there ..so very relieved.

Good luck to all in the forthcoming season...see you soon.

regards dave fairbrother...nottingham forest f c [scout]

Hi Rob.

Gaz here from Anstey Swifts 14's.

Just to say once again many thanks for all the hard work I know you and your team put in to the Sunday tournament for us under 14's. I know you had many last minute "hick ups" and as always from the outside it seemed you professionally sorted that out without participants even noticing!!

Obviously, as winners the day was even better for our lads, but "the taking part" was the winner, and playing against new faces and teams added to the spice of the day. Was talking to the coach from Belper, who told me it was his first visit, and he too was singing the praises of Oadby Owls, really nice man, and a good spirited game we had against them as well.

Once again, please pass on our thanks to all concerned, and myself and all at Anstey wish you and your teams well over the coming season ahead.

All the best

Gary Brooks, Anstey Swifts 14's.

Rob.

Really enjoyed the tournament on Sunday and i will encourage more teams from our area to visit next season. Please feel free to send me info for 2013 as it develops. Thanks for all your hard work take a well earned rest for an hour!!!
